2nd Natural Pigments Conference for South-East Asia (NP-SEA)

Natural Pigments: From Laboratory Research to Industrial Applications

Friday - Saturday,
July 12-13, 2013,
Universitas Ma Chung
Malang, Indonesia

UNIVERSITAS
MA CHUNG

Villa Puncak Tidar N-01, Malang 65151, East Java - Indonesia

OBJECTIVES:

The conference is designed to gather graduate students, research scientists and practitioners, who are working in South-East Asia countries, from multidisciplinary backgrounds, to present their works, to exchange new ideas and to foster collaborations in order to explore natural pigments and their importance in food, medical health and alternative energy. Young researchers or early career researchers are strongly encouraged to take part in the conference.

*CALL FOR PAPERS

TOPICS:

Biodiversity of natural pigments resources

1. Exploration into exotic species in South-East Asia region
2. Photosynthetic pigments

Pigments for Food and Healthcare

1. Photosynthetic pigments in agriculture and industry
2. Carotenoids in palm oil
3. Medicinal uses of natural pigments

Pigments for Energy

1. Energy harvesting pigment materials
2. Biofuels

The best scientific poster will be awarded:

First Prize : IDR 3,000,000 + certificate

First Runner Up : IDR 2,000,000 + certificate

Second Runner Up : IDR 1,000,000 + certificate
